Re: Request for Virginia ARARs for the Kim-Stan Landfill

Dear Mr. Matta:

The Virginia Department of Environmental Quality has received your request for Applicable, or Relevant and Appropriate Requirements (ARARs) for the Kim-Stan Landfill Superfund Site.

However, it is difficult to give specific citations for regulations relevant to the Kim-Stan Landfill, since the preferred alternate remedy has not yet been selected. At a minimum, which differs from the example ARARs table of Maryland, the Kim-Stan Landfill was a permitted sanitary landfill under the Virginia Solid Waste Management Regulations and thus the action specific ARARs for the closure and post-closure care requirements of the Virginia Solid Waste Management Regulations would be applicable.

As the preferred alternative is finalized, development of the ARARs table with the Commonwealth of Virginia's specific ARARs will be developed. If you have any questions or comments, please feel free to contact me directly at (804) 698-4201.

Sincerely,

A handwritten signature in cursive script that reads "Erica S. Dameron".
